Professional Experience

Senior UI/UX Designer, Local matters, INC., Denver, CO — 2006-Present

Team Lead and Designer of User Interfaces for Websites including Mobile and Responsive Versions, HTML and CSS layouts, Icons, Identities, E-mails, Estimations and Style Guides for the company's main customer base, which includes Yellow.co.nz, Europeandirectories.com, Realestate.com.au, Fonecta.fi, Herold.at, Dexknows.com, Areaguides.net and 200+ Affiliate sites. Working closely with project managers, designers and developers, I ensure projects are completed on time and budget within a two week Agile Development Sprint. Works with Sales and Marketing to develop and pitch new ideas to current and prospective clients.

Senior Graphic Designer, The Firm Graphics LLC, Denver, CO — 2005-2006

Designed websites, flyers, brochures, menus, business cards and identities for various business, focusing on nightclubs and large scale events.

Senior UI/UX Designer, Indigio Group INC., Denver, CO — 2002-2006

Designed and developed User Interfaces utilizing HTML and CSS layouts, E-mails and Identities for websites such as Budget.com, Budgettrucks.com, Avis.com, and Denverpost.com. Successfully managed a team of designers throughout these projects, while working with middle tier developers and project managers to ensure completion of projects on time and on budget.

Web Designer / Developer, IC&C, Denver, CO — 1999-2001

Designed and Developed web projects such as BelRea.edu and ToolKing.com from estimation to wireframes, all the way through final production versions, utilizing HTML and ColdFusion.

Owner / Designer - Commit Clothing - Denver, CO - 2009-Present

Owner / Print / Web Designer, Detuned Designs, Denver, CO — 1999-Present

Localization Technician, I.L.E., Boulder, CO — 1997-1999

Small Computer Systems Specialist, U.S.M.C., Quantico, VA — 1993-1997

Education

T.H. Pickens Vocational Center, Aurora, CO — Graphic Arts Graduate, 1991-1993

Skill Set

Strong visual sense, strong communication skills, project sizing capabilities, illustration, and writing. Proficient in Mac OSX and Windows XP, Adobe CS5 Suite, HTML 5, CSS 3, PHP, MySQL
